what you've started!

The GED® test is changing. Don't let your time run out!

Have you already passed part of the GED® test or started studying for it?

It's always a good time to earn your GED® test credential, but if you've already started the process, you need to kick it into high gear and finish before December 18, 2013. Here are a couple of good reasons why:

- This is the last year for the current version of the GED® test.
- If you have already passed part of the GED® exam, your scores will expire at the end of 2013.

2013 is YOUR year!
