Arbor Day Program

The City of Florence will hold its annual Arbor Day Program on **Saturday, September 26, 2015** from 10am until noon at South Fork Park (South Fork Park Drive off of Farmview Drive).

The program will include a brief history of Arbor Day, reading of the City's Arbor Day proclamation, various tree planting activities, and lunch.

The City invites the public, along with groups such as the Boy and Girl Scouts, to come and join in this year's celebration.

The National Arbor Day Foundation has named the City of Florence "Tree City USA" each year since 1991. To be a named a "Tree City USA" the City must meet four requirements: (1) Have a tree board or department; (2) Have a tree care ordinance; (3) Have a comprehensive community forestry program; and (4) Have an Arbor Day observance.

The City is excited about celebrating Arbor Day with the mission to educate and inspire people to plant, nurture, and celebrate trees.
