## GolfBoard Coming to World of Golf

There's new technology coming to World of Golf this summer which may leave golfers a little "board" while "surfing the Earth".

GolfBoard, an easy-to-ride vehicle powered by an environmentally friendly lithium-ion battery, will be made available for rent beginning in May as a two-month pilot program.

To see more information about GolfBoarding, including demos, costs, benefits, etc., go to <http://www.golfboard.com/#intro>.

World of Golf is located at 7400 Woodspoint Drive in Florence. Hours are 8:00am-9:00pm.
